

Canada Stride Walk Total Distance : 6,890 kms

Canada to the UK : 5,804 km

Canada to Australia: 14,143 km

Doing a **Virtual Stride Walk**? Here's a map to get you started! Each pin marks a province or territory where one or more grandmothers groups exist! Pick one, a few, or even all of the provinces to walk to from your home in Canada. And if you're feeling ambitious visit the groups in the UK and Australia too! Map out the distances, count the total kilometers, lace up your sneakers and start walking!
